# REMEMBER, SAFETY FIRST!

## Fire Safety

**Fire safety is extremely important and keeping your residence and the community free of hazards can be life changing.**

Please review and ensure all occupants are aware of the Fire Safety policy from the Guide to Student Housing and Dining Services: <https://housing.ucdavis.edu/guides/student-housing-and-dining-services/2023-24/>.

- » Reasonable passage must be possible for entering and exiting in case of emergency. Reasonable passage is defined as a width of 24 or more inches.
- » Railings should not be used to dry clothes or any items that interfere with an emergency exit.
- » Fire code prohibits all storage under stairwells.
- » Hallways and walkways, as well as building entrance and exit areas, need to be clear at all times. No items should be stored in these areas at any time. This includes, but is not limited to, bicycles and trash.

## SMOKE FREE POLICY

Visit Student Health and Counseling Services' Alcohol, Tobacco and Other Drugs Intervention Services website at <https://shcs.ucdavis.edu/services/other-services/intervention-services> or call **(530) 752-6334**.

## Noise and Disturbances

In community living there will be noise, especially in multi-generational dwellings. We ask that residents are patient and kind when hearing and addressing noise. We encourage neighbors to communicate with their neighbor when the noise level is causing a disturbance, with the understanding that living noise such as toilets flushing, people walking around, normal conversation levels and babies crying should be expected. When disturbed by normal living noise, we ask residents to mitigate their own environment by wearing earplugs when sleeping or studying, or by using white noise machines.

Please review the policy in the Guide to Student Housing and Dining Services for more information on the 24 hours a day, seven days a week Noise Policy:

<https://housing.ucdavis.edu/guides/student-housing-and-dining-services/2023-24/>

## Videotaping, Photos, Social Media and Camera Use

Orchard Park and Primero Grove is the home to many families with youth, and we want to honor their images and privacy. See the Student Housing and Dining Services Guide for more information:

<https://housing.ucdavis.edu/guides/student-housing-and-dining-services/2023-24/>.

# YOUTH SPECIFIC POLICIES AND PROCEDURES

We aim to provide a safe and healthy environment for our families and youth. University of California Davis residential staff are mandated reporters and obligated to report any suspected abuse or neglect of a minor — whether on or off campus property or whether perpetrated by employees, volunteers, or others — to state authorities.

## Child/Youth Welfare

According to California Child Abuse and Neglect Reporting Act (CANRA), the following incidences must be reported by University employees, and for the welfare and betterment of our youth, we ask for all residents to also report any behavior that falls under the following categories:

- » Physical injury inflicted by other than accidental means on a child.
- » Sexual abuse meaning sexual assault or sexual exploitation of a child.
- » Neglect meaning the negligent treatment or maltreatment of a child by a parent or legal guardian under circumstances indicating harm or threatened harm to the child's health or welfare.
- » Willful harming or injuring or endangering a child meaning a situation in which any person inflicts, or willfully causes or permits a child to suffer, unjustifiable physical pain or mental suffering, or causes or permits a child to be placed in a situation in which the child or child's health is endangered.

Bystanders may also report the outlined behavior. Reports may be made confidentially or anonymously. A person who mistakenly reports suspected abuse is immune from civil or criminal liability as long as the report was made in good faith and without malice.

**IF AN IMMINENT THREAT,  
CONTACT UCD POLICE DEPARTMENT IMMEDIATELY OR LOCAL LAW  
ENFORCEMENT IF OFF CAMPUS TO INTERVENE.**

Immediately contact the local child protective agency: <https://www.cdss.ca.gov/reporting/report-abuse/child-protective-services/report-child-abuse>

## Lost, Missing, or Runaway Youth

The most important safety principle in caring for children is maintaining close supervision. If a youth does become lost or missing, please notify the police or REO on-call staff immediately. REO staff will follow these steps:

1. Staff will ask if you would like for them to call UCD PD immediately (if you haven't already done so). Orchard Park call **(530) 747-7224** and Primero Grove call **(530) 752-4120**.
2. While staff waits for immediate crisis help, or if guardian declines for UCD assistance staff/residents will check immediate area.
3. If youth is still not found within 10-20 minutes, UCD PD or local agency will be immediately called for assistance.
4. When the immediate emergency is over, the staff will complete a report and campus follow up may occur to provide resources and to follow up on the situation.

We hope to foster environments where our children and neighbors feel safe, comfortable, and can have FUN. We are committed to our residents/families living and learning within a caring, responsive, and safe environment that is free of discrimination, violence and bullying.

## Unsupervised Youth

We want children to enjoy the beauty of our neighborhood and the campus. While exploring the community we want everyone to remain safe and avoid dangerous situations. The safety and welfare of youth is a priority and we ask that adults help their youth stay alert and stay safe.

- » We ask that guardians and caretakers have an understanding of where their children are for their own safety.
- » We ask guardians and caretakers to provide developmentally appropriate supervision of their children at all times.
- » Guardians and caretakers should be aware of what areas their youth should avoid around property.
